

CONGRATULATIONS

12th Annual

2001 - 2002 Scholastic All-Stars Team

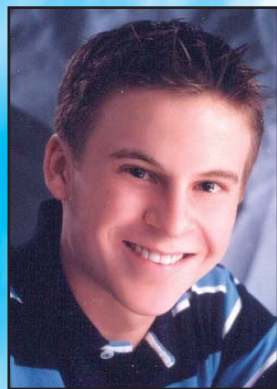

The Scholastic All-Stars Team recognizes area high school senior athletes who excel in academics. In order to be considered, Student-Athlete All-Star candidates must also be involved in school clubs and organizations, as well as community events and projects.

The Scholastic All-Star Team covers more than 100 high schools throughout East Texas. This year, 187 student-athletes were nominated for this select 22-member team by their counselors, coaches, principals, and athletic directors.
